- Click “**My Passes**” or visit “**Your Profile**” to access your Shmoop test prep, earn Shmooints and Shmoop badges!

What’s Cool with Shmoop?

Here's the Scoop on Shmoop's (www.shmoop.com) premium resources available for students, teachers, counselors, and administrators:

- **Learning Guides** – Online Learning Guides & Teacher Resources for specific topics/standards to be addressed in Literature, History, Science, Social Studies and Math.
- **College Readiness** - College Readiness materials for high school students, starting with PSAT and continuing with SAT, ACT, plus a College 101 review.
- **Advanced Placement Exam Prep** - Shmoop offers guides for every AP exam that mankind has ever concocted. Each includes diagnostic, review topics, drills, and test prep.
- **CAHSEE Test Prep** - that won't make your students snooze, 100s of Explanations, Examples and Exercises on every California State Standard you need to know for the exam.
- **Math Shack** - features more than 200 types of problems that will hone a user’s skills in all test areas—Numbers and Operations, Algebra and Functions, Geometry and Measurement, and Statistics and Probability.
- **Shmoop Tube** – A library of hundreds of topical videos for teachers and students to understand How to Shmoop?
- **Shmoop in Spanish** - CAHSEE, SAT, and ACT prep translate in Spanish.

Shmoop’s Philosophy:

*FROM ELA TO STEM, WE LOVE LITERATURE, HISTORY, MATH, SCIENCE, AND EVERYTHING IN BETWEEN.
WE HELP YOU USE TODAY’S TECHNOLOGY AND CULTURE TO BRING THESE SUBJECTS TO LIFE FOR
STUDENTS.*
